

# Corporate Travel Overview

Exhibittravel

## Trusted Corporate Travel Management Since 2008

Exhibittravel was established in 2008 to provide organizations with structured, compliant, and accountable corporate travel management solutions. Our approach is designed for enterprises that require visibility, governance, and consistency across their travel programs.

## Who We Serve

Exhibittravel supports organizations that manage travel as a strategic business function, including enterprises with multi-department travel needs, regulated industries, and organizations requiring policy-driven oversight.

## Corporate Travel Capabilities

- Policy-Controlled Booking & Governance
- Centralized Corporate Travel Booking
- Reporting, Analytics & Financial Oversight
- Risk Management & Duty of Care
- Dedicated Account Teams
- Technology & System Integrations

## How Exhibittravel Supports Corporate Travel

Exhibittravel works closely with corporate stakeholders to align travel policies, approval workflows, and reporting requirements. Travelers book within approved guidelines while administrators maintain oversight and access to actionable insights.

## Outcomes for Corporate Organizations

Organizations using Exhibittravel benefit from improved cost visibility, stronger policy compliance, reduced administrative burden, and enhanced traveler support. Our structured approach enables corporate leaders to manage travel confidently while maintaining accountability and operational efficiency.

## Why Exhibittravel

Exhibittravel combines experienced account management with structured systems to deliver a reliable, scalable corporate travel program. Our long-term partnership philosophy ensures that travel management evolves alongside organizational needs.
